Arlington Park's 7th Annual Fiesta To Be Hotter Than Ever With Chicago Fire!

This year's 7th annual celebration of Arlington Park's "Fiesta In The Park" on Sunday, July 20, 2008 will prove to be a sure bet for family entertainment with the addition of a Chicago Fire Soccer team player appearance, autographed jerseys and much more!

As in years past, the fun filled day starts with gates opening at 11:15am featuring a variety of authentic Latino entertainment presented throughout the day, including: Mariachi Perla de Mexico, the Ballet Folklorico Huehecoyotl dance troupe, Willie Gomez con Cache salsa band, Univision's Pasion Radio remote and the ever present excitement of Arlington Park's world class horse racing!

Each year, this special bilingual event continues to grow in attendance with both Latinos and the greater community, making it the largest single day suburban Latino fiesta outside the City of Chicago (over 12,000 attended Fiesta in 2007) . "Fiesta In The Park is now considered a legacy event, drawing Latinos from throughout the suburbs annually," commented Jerry Campagna of MST Latino, promoter of Fiesta since it's inception in 2002.

"Fiesta In The Park is our way of celebrating the contributions Latinos have made to the sport of horseracing, both on the track with our jockeys and through the venue with our staff," commented Ken Kiehn, Vice President of Sales, Marketing and Guest Services, "it's also our way of celebrating the rich Latino culture which has grown with our communities in the western suburbs."

As a demonstration of Arlington Park's commitment to community, they will be highlighting three organizations which serve the Latino community: The Palatine Opportunity Center, District 214's Community Education and Mision San Juan Diego Church.
